Vilambukandam (Mananthavady Taluk)</p> <p>If circumstances so warrants, due to unavailability of water in any of the supply sources mentioned above, then any supply source can be closed temporarily or permanently. New supply sources can be added to the list as and when required.</p>
3	Supply locations	<p>Supply of water is to be done at locations specified by the Authorised Officer. Supply may be done as supplying water in KIOSKS (tanks) which are permanently set up at specified locations or at other locations.</p> <p>The bidder will be informed about the requirement for filling up the KIOSK by the Authorised Officer.</p> <p>Once the information is received, the KIOSK shall be filled up within 1 hour. In cases, where the water is supposed to be supplied at any location, other than the KIOSK, such an information given by the Authorised Officer shall also be fulfilled within 1 hour.</p> <p>In cases, where the actual running time between the supply location</p>

		<p>and the source is more than 40 minutes, an additional time allowance will be given to the bidder for supplying water. Such additional time allowance shall not exceed Actual Running Time in minutes <i>less</i> 40.</p>
4	<p>Work items which shall be included in the Consolidated Rate</p>	<p>Option 1: Component Rate The quote shall be submitted specifying two Consolidated Rates for the following work items. The two Consolidated Rates to be quoted are detailed here below.</p> <p style="text-align: center;">COMPONENT A: Procuring and Filling/supplying of water</p> <p>This component shall include a single consolidated rate, which should include all the below mentioned work items</p> <ol style="list-style-type: none"> 1. Collecting Water from the Source Point into the supplying tank. The motor pump for collecting water shall be provided by the bidder. All costs connected with collecting water, including rent or rates of motor pump, tank, fuel costs of motor pump, wages of operator etc. shall be consolidated in the quoted amount. 2. Filling water in KIOSK or supplying water at the specified location. All costs connected with it such as rent or rates of motor pump, fuel of motor pump, wages of operator and allied costs shall be consolidated in the quoted amount. 3. All other costs (except the ones covered under Component B) related to collecting water from the Source Locations and Filling/supplying of water at specified locations. <p><i>All the above mentioned 3 items shall be included in the rate quoted against Component A. It shall be quoted as rate for 10000 liters, 5000 liters, 2000 liters and 1000 liters of water.</i></p> <p>COMPONENT B:</p> <ol style="list-style-type: none"> 1. Transporting water from the Source Point to the Supply location. All costs connected with it, including the rent of the vehicle, wages of driver/assistant, fuel and allied costs etc shall be consolidated in the quoted amount. <p>The rate quoted against COMPONENT B shall be a consolidated per kilometer rate for transporting water to a distance of 1 kilometer specifying separate rates for 10000 liters, 5000 liters, 2000 liters and 1000 liters of water.</p> <p>The bidder need not specify the breakup of costs.</p> <p>Option 2: Daily Rent & Rates</p> <p>The bidder shall also give a quote which shall indicate the per-day</p>

		<p>rent and rates for supplying water irrespective of Components A & B given above. This rate shall be independent of Components A&B.</p> <hr/> <p>Explanation: If the bidder is deployed for supply of water, on the basis of this Quote, the bidder will be entitled to receive either a sum of Components A& B or a sum of the daily rent and rates only and not the combination of both. It is once again clarified that, if the bid based on Option 1: Component Rate is accepted, then the bidder will be paid the sum equaling Component A&B only and no other payment. Similarly, if the bid based on Option2: Daily rent and rates is accepted, then the bidder will be paid the sum equaling daily rent and rate only and no other payment. The quotation inviting authority deserves the right to decide about which of the two options shall be accepted.</p> <p>The form of bid will be as given below at item No 5</p>
